Patron:                                Cr. Steve Griffiths

### President's Report

Welcome everyone it is great to see you all here tonight. A very special welcome to our guests

The next main event for the society is our bus trip on Saturday 28<sup>th</sup> October. The bus will depart the Oxley Bowls Club at 8.00am sharp. A friendly reminder to not park your vehicle in the bowls club carpark, please park in the side street.

There is no cost for financial member for the bus. This is the management committee way of giving back to our members. Cost per guest is \$20.00. Entry to the Nambour Species show including morning tea is \$6.00 per person. Lunch at the Palmwoods Hotel is \$15.00 per head. Please pay in advance to our treasurer either tonight or before departure on the 28<sup>th</sup>. Please make life easier for Lexie by having the correct money.

We are required to place our lunch order with the Palmwoods Hotel two weeks prior to the event. Therefore should any member not attend on the day we will unfortunately have to request you refund the society for the lunch that has been ordered for you.

We hope this will be a great day and that the weather is kind to us, not raining and not too hot.

The final major event for the year will be our Christmas Party. The management committee have discussed and, the evening will be as previous years.

Members are asked to arrive at 6.30pm for a 7.00pm start to the evening.

We will have our usual various cold cuts and salads. This is all provided by the society. However we request that you please bring a contribution for dessert.

It is not fair that the same people do all the work every year. We ask that you please offer to assist where needed.

The society spends several hundred dollars on prizes for the rolling raffle. However we ask that you please also make a contribution. This doesn't have to be an expensive item usually between \$5.00 to \$10.00, and should be something that you would be happy to win.

The bar will be open and all soft drinks are at society expense, however any alcohol must be paid for by the individual member.

Owen Sengstock is our guest speaker tonight. He will be discussing the culture of *Dendrobium speciosum*. And will also be giving us a demonstration of how he divides and repots his plants. Owen is a very good native orchid grower and I am sure we will all enjoy his presentation.

Thank You.....Michael Byrnes

**Judges:- JODOS Judges: John Buckley–Don Nitschinsk --. Emeritus Judge Les Lobley – Plus Q.O.S. Judges**

**Life Members :- Les Lobley - Margaret Lobley - Don Nitschinsk - Barbara Shooter**
