President's Report

Congratulations to our winners of the growing competition. If you were not there at the annual general meeting you may not know that we did not have a new grower's orchid this year. It is our goal, to have everyone in the society having their own JODOS emblem orchid. This is well on the way with Richard reporting that the seeds were delivered and we are now awaiting the call to inform us when they will be ready to be picked up. Even though we were hoping everyone would get an affine orchid in readiness for the 50th Anniversary next year, as soon as they able to be distributed, they will be. More will be said about this as the time draws nearer. Thank you to Don for suggesting it a number of years ago.

Last month was the Annual General Meeting and there was little change to our leadership group with most continuing to serve. The only new person is Joan Henry who has joined us on the committee. Thank you to the people who have taken up the gauntlet again this year. You all do a great job and it is appreciated.

The show's coming up. The committee have everything organized and looking forward to another great show. We are looking for volunteers to help make it an even better show. Please let any of the committee know if you can help in any way. It will be most appreciated. Many hands make light work. Setting up on the Friday starts at 1:00 p.m. In particular we will need food for the judges and the workers on Friday and donations of food for sales as well for

the kitchen. Please let the committee know if you are interested in doing a job and what you would prefer to do.

The show schedule is now finalized and if anyone needs plant sale tags there are plenty. So start getting plants ready for sales and working out which plants will probably be ready for the show. If you need help on how to prepare them for showing please ask one of the many "old hands". I'll discuss this further at the next meeting.

The banner looks great and hopefully it encourages new members as they drive or walk by.

Tonight, we have Richard Mollee speaking to us. His talks are always enlightening and a pleasure to listen to. If you know anyone you think would make a great guest speaker for the meetings please let Sonia or myself know so we can give them plenty of notice. As well we pay each speaker \$40 so if you have someone in mind you could also let them know that.

We have two more meetings before the show. It is important that we have as many people as possible to the meetings to say how they will lend a hand.

Thanks

Michael Byrnes
