Next general meeting:

July 13 th 2022

Next committee meeting:

June 27 th 2022

The Society meets on the second Wednesday of every month (No meeting in January) at the Oxley Bowls Club, Englefield Road, start time 7.30PM.

All Welcome.

Ascda. John De Biase

PRESIDENTS MESSAGE

Good evening everyone, and welcome to our meeting.

A friendly reminder that some members have not paid their annual fees for 2022. Fees were due by 31st March. If you haven't yet paid your fees please give this priority. This can be paid by cash tonight, or ask our treasurer for our bank account details and you can pay by EFT.

Our winter show is only six weeks away. All preparation work has been completed. We now need support from all members to make this event a success.

We require volunteers at 1.00pm (or earlier) Friday afternoon to assist with set-up. Also volunteers from 7.00pm to assist with judging the Friday evening, a minimum of 11 people is required.

During the course of the week-end we require volunteers to assist in the kitchen, cashiers at the front door, and general help where needed.

We require a volunteer to supervise plant sales, this is not a difficult job. Also sales assistants are needed, especially for the Saturday morning rush.

Those who are working all Friday are asked to bring along a meal that can simply be reheated. All meals will be put out in smorgasbord style and everyone helps themselves.

Please also contribute some baking i.e. slices, cakes, tarts, biscuits etc. This is for tea breaks and lunch for our workers. Last year we had very little support with this request.

There are concerns that we may not have enough plants for our sales area. Please have a good look at your collection and decide what plants you might like to sell.

The show schedule, benching and sales tags are available from the secretary tonight.

Please also remember that we require a new secretary next year. Please give this serious consideration. You will be given full assistance and guidance. It has been suggested that we split secretarial duties and have a general secretary, and a show secretary.

Thank You...President...Michael Connor

Notes from May

Keith Adams Filing

Keith outlined his method of documenting and filing the orchids he owns. The basic outline of the filing is given below. He detailed the method fully in a document he has created and a copy of this is available, on request, from him.

In brief his system is as follows. For every orchid he owns, he creates a document containing the orchid name, parent species, growing conditions for the dominant species and a colour photo. He also creates a bar code. Using this information, he creates a plant label. He creates a photo sheet with 12 labels and prints these at a commercial outlet as a 5x7 photo which he then cuts up and laminates with heavy duty laminate. He expects these to last 5 years in a green house. Kevin use Google Drive for storage but other options would be available.

2022 AOC Conference

Colin Noy introduced the 2022 AOC Conference that has been postponed from 2021. Keep an eye on the website <https://aocc2022.org/conference> for details. Some details are given below. Colin is coordinating volunteers and will be looking for help.

22nd AOC Conference and Show - For the Love of Orchids

The conference with show is scheduled for 31 August - 4 September 2022, South East Queensland: at the Logan Metro Sports & Events Centre, about 30 minutes by road south of the Brisbane CBD.

The SHOW is aimed at EVERYONE, be they a society member with a small collection, someone new to growing orchids, or just a lover of plants in general, including the associated art and photography. And everyone who attends will have access to the sales area, and be able to purchase something exciting to build their collection.

The AOC aims to stage the biggest and best orchid show seen in SE Qld for many years, certainly the most spectacular of the year. Societies are being encouraged to set up a display as part of the show,

The SHOW is open to the public Friday, Saturday & Sunday-

The show will feature

- **Lecture Program:**

Because of the uncertainty of international travelers being able to attend, a team of first rate Australian speakers will share their knowledge on a range of topics and genera.

- **Vendors:**

The sales area will have the capacity for up to 30 vendors.

- **Bus groups:**

Societies are encouraged to consider planning a bus trip to the show for their members.

**Judging Panel:- John Buckley: Associate Judges Colin and Hazel Barker: Plus Q.O.S. Judges
Life Members :- Margaret Lobley - Don Nitschinsk - Barbara Shooter – Sonia Addison**

COMPETITION WINNERS for May 2022
